

# FARM ENVIRONMENTAL ADVICE AND PESTICIDES

Paul Cobb, FWAG South East LLP

# Farming and Wildlife Advisory Group (FWAG)

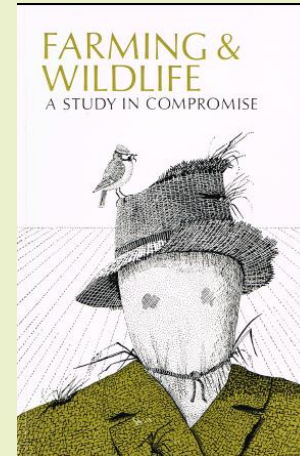

- SE = LLP (7 partners, 8 staff)
- Working with farmers and land managers: 'natural capital'
- Funding schemes – Stewardship, Woodland, ELM; revenue + capital
- Wide range of partnership projects eg water companies, farm clusters
- LEAF Marque Standard 'LANCEP'

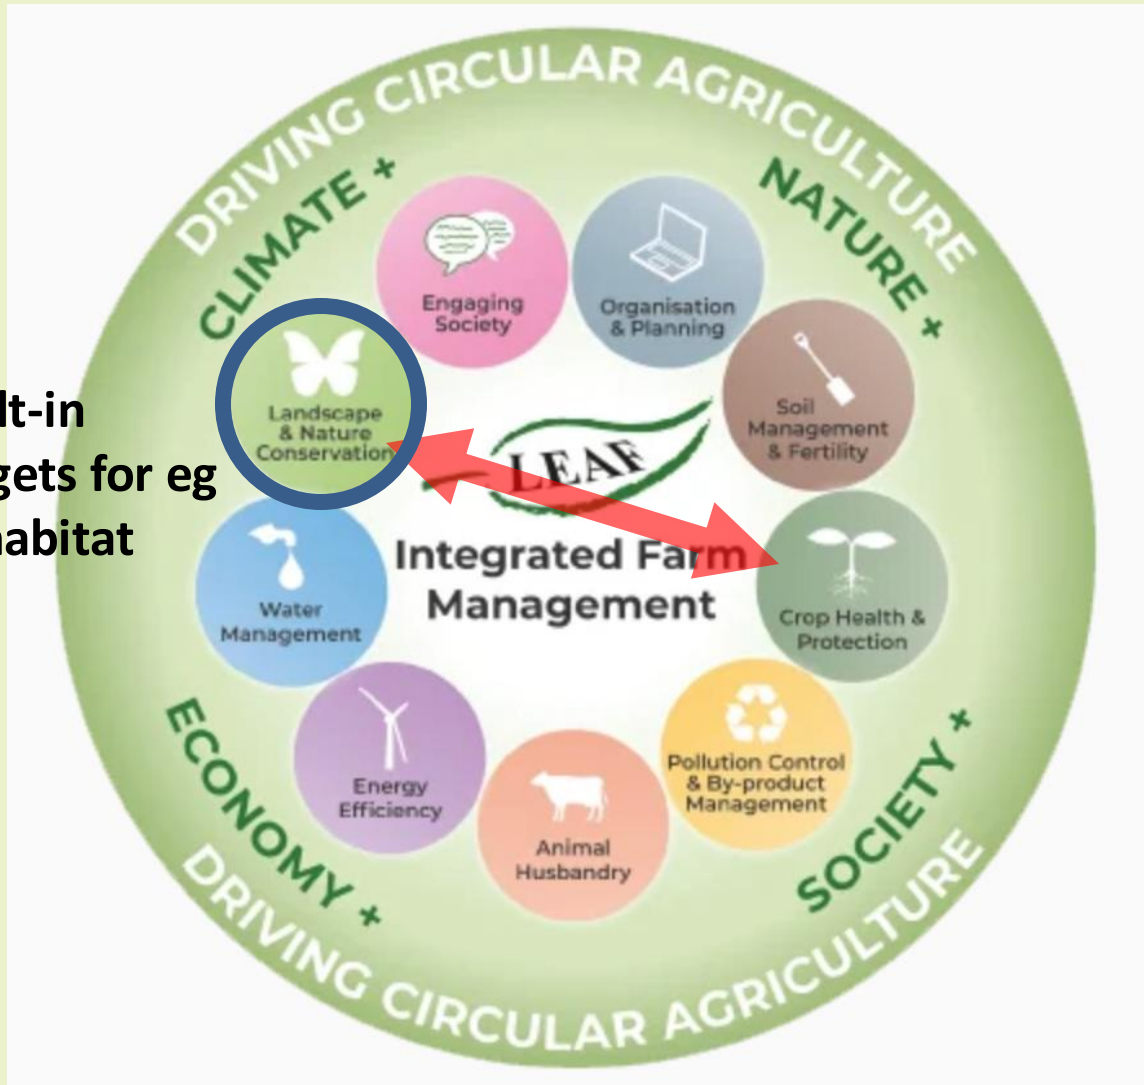

# Long-term relationships

Built on being:

- ✓ Stable – since 1969
- ✓ Experienced – specialists
- ✓ Qualified – high standards
- ✓ Independent – services only
- ✓ Local – county based
- Trusted – from all the above

# The whole farm approach

# Living with pesticides

- LEAF Marque plans + reviews

♥ *Policies and procedures for PPP*

! *Aware of pesticide use and issues*

# Managing without pesticides?

# ... or herbicides?

A screenshot of the FWAG South East website header. It features the FWAG South East logo (three birds) on the left, the text "Trusted and independent environmental advice" in the center, and the FWAG logo and "Farming &amp; Wildlife Advisory Group" text on the right. A "50 YEARS" anniversary logo is also present. Below the logos is a navigation menu with links: Home Page, About Us, What We Do, What's On, and Contact Us. The main heading "Welcome to FWAG South East" is centered below the menu.
